

2010 Football Crew Test Information

The football crew test is a voluntary test designed to test the knowledge of all crew members without the aid of rule or case books and in a timed environment. Scores from the crew test will be used in the evaluation process of the crew and could impact the crew's playoff assignments. Not participating in the crew test will not have negative impact on the crew's playoff assignments.

PROCESS FOR TAKING CREW TEST

One member of the crew should notify Sheree Riddell by email at sriddell@ossaa.com of the crew's intent to take the crew test by September 10th. Include in the email of notification should be the name of the white hat for the crew and the name of the OSSAA football area coordinator because the area coordinator will serve as test administrator. The test will be mailed out to the area coordinators on September 17th. Tests should be taken and returned to the OSSAA office by October 1st. Dates and times for taking the test will be worked out through the area coordinators. The white hat will be notified of the crew's score on the test by November 1st.
