

Process for Selection for OSSAA Football Playoff Crews

(Revised July 16, 2010)

I. Standards

- All crew members enrolled and good standing with OSSAA.
- Availability for playoff dates turned in to OSSAA office.
- All crew members have passed NFHS Football rules Part 1, Part 2. (Mechanics test when scheduled)
- *Non-final contests, 4 of 5 crew members must have a C rating. Finals, all crew members must have a C rating.*
- *All crew members must have taken the NFHS Course “Concussion in Sports: What You Need to Know”*
- Playoff coaches turn in to OSSAA an eight official scratch list.

II. Coaches Ratings

- One rating is assigned to the referee of the crew based on the numerical average of all five crew members.
- Coaches’ ratings are tabulated from the previous year. (CR1)
- Coaches’ ratings are tabulated from the previous three years. (CR3)

III. Points—(OP)

- Points are given for the crew’s rating from the previous year, two previous years, and three previous years. (see Three Year Composite Rating Schedule)
- Points are given for Crew members’ classification status: 5 points if all are C, 4 points if four are C, 3 points when three are C.
- Clinics: 1 point for each crew member that provides documentation of member attendance of a clinic/camp since the close of the last season.
- Playoff experience: 1 point for each playoff game worked in the last three years.
- *Mentor program points.*
- *Crew test points.*

IV. Rankings

- All crews that have turned in availability are ranked in three categories; CR1, CR3, and OP.
- Composite ranking is determined from averaging the placements in the each ranking group: CR1, CR3 and OP.

V. Input

- Reports from OSSAA observers.
- Reports from area football assignors.
- OSSAA football coordinators recommendations.
- OSSAA Director of Officials recommendations.
