FROM: Amy Cassell, Assistant  
RE: State Cheerleading Championship  
DATE: September 24, 2009

Congratulations to your cheer squad for advancing to the State Championship! The State Championship competition will be held at Skiatook High School on October 3, 2009.

Below, you find information for the State Cheerleading Competition. Please review this material carefully.

NOTE: Fans and squads are not allowed to bring spirit posters, banners, noise makers, coolers or any food or drink. All bags of participants, coaches and fans, will be checked at the door by security.

NOTE: Admission prices will be \$5.00 for adults and students. The orange OSSAA pass will be the only pass accepted, and must be presented with your drivers license.

NOTE: T-shirts will be available at the competition through Athlon II.

NOTE: Please bring a roster sheet for your squad to the state competition. Include the squad members' names and coaches' names.

The following tournament guidelines and time schedule should be followed:

1. The State Championship Competition time schedule is located at the end of this memo.
2. Each squad should arrive at the site prior to your check in time. Check in is at Skiatook High School **not the gym**. Enter through the front doors of the High School to check in. All squad members and coaches for the respective School should check in together.
3. The performance order for the squads competing at the State Competition has been set by the OSSAA staff. (NOTE: The order was randomly selected by the OSSAA staff.) **The schools are listed on the accompanying sheets in the order in which they will compete. A check in schedule can be found below.**
4. **Floor Passes: Floor passes will be issued at the site at the check-in table. These are the only passes you will receive. No additional passes will be issued.**
5. All National Federation Spirit Rules apply. Any squad violating those rules will be disqualified.
6. Take II Video will be in attendance and will have videos of the competition for sale. They will also be taking still photos of each squad.
7. An emergency will be the only exception for being late. If an emergency occurs, contact the site manager, Amy Cassell 405-990-7752.
8. We will run two classes simultaneously. Be sure to check the schedules carefully for your designated warm-up and performance times.
9. If a class runs over the scheduled time, 15 minutes will be allowed before beginning the next classification. No classification will begin before the scheduled time.
10. Trophies will be awarded after every classification.
11. Upon completion of each session an Academic Trophy will be awarded. After the presentation squads will be called to the floor by classification. A formal awards presentation will be conducted. Please inform your athletes they are to remain until the trophy and medals have been awarded. Remind your athletes of the high level of respect and good sportsmanship that your school is responsible to display at any competitive event.

With regard to the use of signs in your routine, please note the following:

## Sign Tips

1. If using signs in your routine participants will carry them out with them as the squad enters the floor to set up and begin their routine. At the end of the routine, all participants need to clear the mat to ensure your time has stopped. After you have completed your routine and the clock has stopped have designated team members go back out onto the floor and pick up any remaining signs so the floor is clear for the next squad to perform.
2. Please note the following NFHS rules concerning signs
  - Pg 17 Rule 2-6.2b: For all cradle dismounts.....The flyer must not hold props (signs, etc.) that are made of solid material, corners or sharp edges.
  - Pg 20 Rule 2-9.3: Tumbling over or under a stunt, person or prop is illegal.
