- C. Regional tournament play will be single elimination with the best three out of five games for Classes 4A, 5A and 6A.
- D. In Class 4A there will be eight single elimination regional tournaments. The winner of each regional tournament will advance to the state tournament. There will be four western regionals and four eastern regionals. The four highest rated teams from each half of the state will host a regional tournament, if feasible, and will be given the number one seed regardless of where the tournament is held. In determining the strengths of teams within each class of girls volleyball, the OSSAA will work closely with the coaches rankings from [OKrankings.com](http://OKrankings.com) and the information received from the coaches Team Composite Record form.
- E. In Classes 5A and 6A there will be eight, four team single elimination regional tournaments. The sites for the regional tournament will be assigned by the OSSAA. Times for the regional tournament will be 4:30 p.m. and 6:00 p.m. for the semi-finals and 7:30 p.m. for the championship finals. The host site will play the 4:30 p.m. semi-final game.
- F. In a three team regional, the highest rated team will be the top seed and receive a bye in the first round. The other two teams will play each other in a single elimination match. The winning team will then play the top seeded team in the same format.
- G. In a four team regional, the highest rated team will be the top seed and will be placed on line #1. Rate and seed the remaining three teams on a percentage of matches won and lost which are to be placed on the top and bottom of the bracket, respectively, by record. A team must have played at least fifteen matches to be considered for seeding placement. The best record will be the second seed (Exception: If two top fifteen teams from the [OKrankings.com](http://OKrankings.com) are placed in the same regional tournament, the highest rated team will be the number one seed and the other rated team will be the second seed.) and automatically be placed on line #4. The second best record which will be the third seed (Exception: If three top fifteen teams from the [OKrankings.com](http://OKrankings.com) are placed in the same tournament, the lowest rated team would be the number three seed.) shall choose either line #2 or line #3 of the bracket which automatically places the third team by record on the opposite line.
- H. In a five or more team regional, an eight point bracket will be used. The highest rated team will be the top seed and will be placed on line #1. Rate and seed the remaining teams on a percentage of matches won and lost which are to be placed on the top and bottom of the bracket, respectively, by record. A team must have played at least fifteen matches to be considered for seeding placement. The best record will be the second seed (Exception: If two top fifteen teams from the [OKrankings.com](http://OKrankings.com) are placed in the same regional tournament, the highest rated team will be the number one seed and the other rated team will be the second seed.) and automatically be placed on line #8. The second best record which will be the third seed (Exception: If three top fifteen teams from the [OKrankings.com](http://OKrankings.com) are placed in the same tournament, the lowest rated team would be the number three seed.) shall choose either line #4 in the top half or line #5 in the bottom half of the bracket which automatically places the third best team by record in the opposite half of the bracket. The fourth best record shall choose either line #3 in the top half or line #6 in the bottom half of the bracket which automatically places the fifth team by record in the opposite half of the bracket. The sixth best record shall choose either line #2 in the top half or line #7 in the bottom half of the bracket which automatically places the seventh team by record in the opposite half of the bracket.
- I. Teams must have played at least fifteen matches to be considered for seeding placement on the bracket in the regional tournament. Teams that have played less than fifteen matches will be allowed to participate in the regional tournament.

- J. Regional champions will receive a team plaque.

  1. Teams will be seeded by the OSSAA one through eight (one vs. eight, two vs. seven, three vs. six, and four vs. five).
  2. All seeds will be based on rankings from the [OKrankings.com](http://OKrankings.com) and each team's won-lost percentage.
- P. State tournament champions and runner-up teams will receive team trophies, fifteen individual medals, and coach's achievement plaques for the head coach.
- Q. Three officials will be used at the state tournament and schools should be represented by a minimum of one official from each side of the state per classification. If feasible, use OSSAA certified officials as line judges for the finals of the winners bracket, finals of the consolation bracket, and finals of the championship bracket.
- R. At the Class 4A state volleyball tournament, alternate every other year two officials from the east and two officials from the west with the third official selected from the opposite side of the state.
- S. Teams are limited to fifteen players suiting up at the regional and state tournament.
- T. Practice or competition in athletics will not be allowed on a site after the site has been announced in any play-off activity except for the regularly scheduled contest or the host school may practice at the site if that is the team's regular practice site.
- U. Tickets will not be sent for regional tournaments; however, the host school should charge admission to defray expenses concerning officials which the tournament chairman shall employ (recommended admission is \$5-adults and students). Referees shall be OSSAA certified volleyball officials.
- V. If feasible, the Classes 5A and 6A State Volleyball Tournament will alternate between the Oklahoma City and Tulsa area and the Class 4A State Volleyball Tournament will remain in the Oklahoma City area.
- W. A student's current scholastic eligibility status would not change if an OSSAA play-off contest was delayed into the next week due to inclement weather or other extreme circumstance.
- X. Only the following people shall be permitted on the floor during team warm-ups and on the bench during the regional and state tournament: coaches under contract by their school, fifteen uniformed players, and a maximum of three other school approved personnel.
- Y. Play-off assignments will be released to the OSSAA website by 4:00 p.m. of the releasement date. All information regarding play-off assignments will be posted to [www.ossaa.com](http://www.ossaa.com). There will be nothing sent to the school by regular mail.

#### V. TOURNAMENTS, MEETS, AND CONTEST

- A. No member school shall compete in athletics in any interstate tournament or meet in which three or more schools participate unless such event has been sanctioned by all interested state associations including the National Federation, if required.
- B. All athletic events where three or more schools participate in grades 7 through 12 related directly or indirectly to any activity in which the OSSAA sponsors a play-off series leading to a state championship should be sanctioned. The responsibility lies with the participating schools as well as the host member school, non-public school host, or any non-school individual host. When more than two schools or teams participate, the students may not be covered by catastrophic insurance unless the event is sanctioned. All entries for out-of-state tournaments and meets shall be forwarded to the OSSAA office for approval.
- C. All entries for out-of-state tournaments and meets shall be forwarded to the Activities Association for endorsement and approval.

#### VI. RECOMMENDATION TO ADMINISTRATORS OF ATHLETIC CONTEST

It is recommended that an administrator of all athletic contests meet with the officials prior to the contest advising them of the game time, dressing facilities, pre- and half-time activities, etc. The game administrator should also record official's ID number. After the officials enter the field or court, the administrator in charge should advise the head official as to the location where the game manager will be during the contest(s) should a problem arise. Someone should be designated to meet the officials to assure their safe return to the dressing room after the contest. This applies to regular season as well as play-off contests.

#### VII. OFFICIALS AND PROTESTS

- A. The regulations of the Oklahoma Secondary School Activities Association provides that all officials used in regular season basketball and football competition and OSSAA sanctioned tournaments where participants are 7th-12th grades must be enrolled with the OSSAA and have passed Part I of the National Federation rules examination for that sport. The regulations also apply to regular season competition in baseball, soccer, softball, volleyball, and wrestling where participants are 9th-12th grades. It is strongly recommended that certified officials be used in all competition where participants are 7th-12th grades.

- B. One of the calculated risks that coaches must accept is that he/she, his/her players, or the officials may make mistakes during the course of the game or contest. The Board of Directors has established a policy of not honoring a protest based upon a rule situation, nor a situation which involves judgment on the part of the game official.

### VIII. CONDUCT OF STUDENTS

- A. A student who is disqualified during a game or contest because of a flagrant or unsportsmanlike conduct shall be ineligible until reinstated by the principal. It is recommended that a disqualified student forfeit the right to participate in at least one contest before he/she is reinstated by the principal. A student whose flagrant or unsportsmanlike conduct consists of fighting, cursing or using foul language toward a game official will be automatically suspended from participating in a minimum of the next two regularly scheduled games or contests on the same level of competition that his/her team plays. Fighting is defined, but is not limited to, any player or non-player (bench personnel) striking an opponent with arm(s), leg(s), foot(feet), or other object(s); attempting to strike an opponent with arm(s), leg(s), foot(feet), or other object(s), regardless if there is contact with an opponent; biting, or instigating a fight by committing an act(s) that causes an opponent to retaliate by fighting related to an OSSAA sponsored activity in which the players and non-players are participating. A player or non-player who retaliates by fighting is in violation of the fighting rule. The fighting rule will apply to pre-contest and post-contest sponsored activities. It is mandatory that all head coaches remind his/her team that fighting during the post game hand shaking ceremonies or conducting themselves in an unsportsmanlike manner after the game will be severely penalized. The head coach and team will be subject to additional suspension penalties beyond the normal penalties imposed on fighting and unsportsmanlike acts that occur during the contest. Injuries have occurred because of fans climbing over walls and fences, being trampled, or partaking in dog-pile celebrations, etc. at the conclusion of a contest. The celebration by fans, players, or coaches acting in an unsportsmanlike manner (example: pouring water on the coach) after a contest will result in possible penalties imposed against the school. School administrators should be aware that if their student body and fans come onto the playing area after a contest, penalties may be imposed.
- B. Any substitute or team member who leaves the team bench (football player leaving the team box, baseball or softball player leaving the dugout, basketball player or wrestler leaving the team bench, etc.) and enters the playing area during a fight or any other serious unsportsmanlike act, shall be ejected. Those players or team members identified by game officials, school administrators, or video tape will be suspended a minimum of one game if they were not involved in the altercation and a minimum of two games (exception: soccer) if they were involved in the altercation. This rule applies to both regular season and play-off games. The suspension applies to individuals/team on the same level of competition; i.e., varsity to a varsity game, junior varsity to a junior varsity game, etc. Any additional penalties by the National Federation Rule Book and the OSSAA Rules and Regulations Handbook would also apply. The rule would apply to all OSSAA sponsored activities. Any student involved directly or indirectly for fighting or any other serious unsportsmanlike act a second time during the season shall be suspended for the remainder of the season.

### IX. ACADEMIC ACHIEVEMENT AWARDS

- A. To qualify for an academic award, a team must have 15 players or a minimum of nine suiting up for the regional tournament. All players in uniform must be listed. The GPA shall be based on grades from the preceding semester. (Non-traditional semester: An approximate 18-week grading period used to divide the school year in half.) The state champion shall be the team with the highest GPA.
- B. Teams must meet all qualifications required of the respective activity in order to qualify.
- C. Entries that are mailed must be postmarked by the entry deadline in order to be considered. Entries that are faxed must be received in the OSSAA office the day following the entry deadline in order to be considered. Incorrect information submitted on the entry form will void the entry. Please report any corrections or changes on your academic application to the OSSAA office. The OSSAA will confirm finalists for the state championship award.
- D. The academic GPA will be based on a 4-point system and computed to the nearest thousandth percentile. If you have a weighted grading system, it must be converted to a 4-point system in computing the team GPA.
- E. All classes that count toward graduation shall be used in determining each individual students GPA.
